

there is more than one applicant for an exclusive license, that applicant shall be selected who is determined to be most capable of satisfying the criteria and achieving the goals set forth in this part.

(d) Subject to the following: (1) Any existing or future treaty or agreement between the United States and any foreign government or inter-governmental organization, or

(2) Licenses under or other rights to inventions made or conceived in the course of or under Department of the Navy research and development contracts where such licenses or other rights to such inventions are provided for in the contract and retained by the party contracting with the Department of the Navy, no license shall be granted or implied in a government invention, except as provided for in this part.

(e) No grant of a license under this part shall be construed to confer upon any licensee any immunity from the antitrust laws or from a charge of patent misuse, and the acquisition and use of rights pursuant to this part shall not be immunized from the operation of state or federal law by reason of the source of the grant.

§ 746.3 Delegation of authority.

The Chief of Naval Research is delegated the authority to administer the patent licensing program, with the authority to redelegate such authority.

§ 746.4 Definitions.

(a) *Government invention* means an invention covered by a domestic patent or patent application that is vested in the United States and in the custody of the Department of the Navy, and is designated by the Chief of Naval Research as appropriate for the grant of an express non-exclusive or exclusive license.

(b) *To the point of practical application* means to manufacture in the case of a composition or product, to practice in the case of a process, or to operate in the case of a machine, under such conditions as to establish that the invention is being worked and that its benefits are reasonably accessible to the public.

§ 746.5 Government inventions available for licensing.

Government inventions normally will be made available for the granting of express nonexclusive or limited exclusive licenses to responsible applicants according to the factors and conditions set forth in §§ 746.6 and 746.7, subject to the applicable procedures of § 746.11. The Chief of Naval Research may remove a prior designation of availability for licensing of any patent(s) or patent application(s), provided that no outstanding licenses to that invention are in effect.

§ 746.6 Nonexclusive license.

(a) *Availability of licenses.* Each government invention normally shall be made available for the granting of non-exclusive revocable licenses, subject to the provisions of any other licenses, including those under § 746.8.

(b) *Terms of grant.* (1) The duration of the license shall be for a period as specified in the license agreement, provided that the licensee complies with all the terms of the license.

(2) The license shall require the licensees to bring the invention to the point of practical application within a period specified in the license, or such extended period as may be agreed upon, and to continue to make the benefits of the invention reasonably accessible to the public.

(3) The license may be granted for all or less than all fields of use of the invention, and throughout the United States of America, its territories and possessions, the Commonwealth of Puerto Rico, and the District of Columbia, or in any lesser geographic portion thereof.

(4) After termination of a period specified in the license agreement, the Chief of Naval Research may restrict the license to the fields of use and/or geographic areas in which the licensee has brought the invention to the point of practical application and continues to make the benefits of the invention reasonably accessible to the public.

(5) The license may extend to subsidiaries and affiliates of the licensee but shall be nonassignable without approval of the Chief of Naval Research, except to the successor of that part of

the licensee's business to which the invention pertains.

(6) The Government shall make no representation or warranty as to the validity of any licensed application(s) or patent(s), or of the scope of any of the claims contained therein, or that the exercise of the license will not result in the infringement of any other patent(s), nor shall the Government assume any liability whatsoever resulting from the exercise of the license.

§ 746.7 Limited exclusive license.

(a) *Availability of licenses.* Each government invention may be made available for the granting of a limited exclusive license, provided that:

(1) The invention has been published as available for licensing pursuant to paragraph (a) of § 746.11 for a period of at least six months;

(2) The Chief of Naval Research has determined that:

(i) The invention may be brought to the point of practical application in certain fields of use and/or in certain geographical locations by exclusive licensing;

(ii) The desired practical application has not been achieved under any non-exclusive license granted on the invention; and

(iii) The desired practical application is not likely to be achieved expeditiously in the public interest under a nonexclusive license or as a result of further government-funded research or development;

(3) The notice of the prospective licensee has been published, pursuant to paragraph (d) of § 746.11 for at least 60 days; and

(4) After termination of the period set forth in paragraph (a)(3) of § 746.7 the Chief of Naval Research has determined that no applicant for a non-exclusive license has brought or will bring, within a reasonable period, the invention to the point of practical application, as specified in the exclusive license, and that to grant the exclusive license would be in the public interest.

(b) *Selection of exclusive licensee.* An exclusive licensee will be selected on bases consistent with the policy set forth in § 746.2 and in accordance with the procedures set forth in § 746.11.

(c) *Terms of grant.* (1) The license may be granted for all or less than all fields of use of the government invention, and throughout the United States of America, its territories and possessions, the Commonwealth of Puerto Rico, and the District of Columbia, or in any lesser geographic portion thereof.

(2) Subject to the rights reserved to the Government in paragraphs (c)(6) and (c)(7) of § 746.7, the licensee shall be granted the exclusive right to practice the invention in accordance with the terms and conditions specified in the license.

(3) The duration of the license shall be negotiated but shall be for a period less than the terminal portion of the patent, the period remaining being sufficient to make the invention reasonably available for the grant of a non-exclusive license; and such period of exclusivity shall not exceed 5 years unless the Chief of Naval Research determines, on the basis of a written submission supported by a factual showing, that a longer period is reasonably necessary to permit the licensee to enter the market and recoup his reasonable costs in so doing.

(4) The license shall require the licensee to bring the invention to the point of practical application within a period specified in the license, or within a longer period as approved by the Chief of Naval Research, and to continue to make the benefits of the invention reasonably accessible to the public.

(5) The license shall require the licensee to expend a specified minimum amount of money and/or take other specified actions, within a specified period of time after the effective date of the license, in an effort to bring the invention to the point of practical application.

(6) The license shall be subject to the irrevocable, royalty-free right of the Government of the United States to practice and have practiced the invention throughout the world, by or on behalf of the Government of the United States, and by or on behalf of any foreign government or intergovernmental organization pursuant to any existing or future treaty or agreement with the
